Post Office Moves This Weekend

Said In Cypress

That our personal travelogue this week concerns a weekend trip to Death Valley to witness the best pageant we never did see.

The only conclusion we can draw is that the publicity committee for the Death Valley centennial pageant staged at Furnace Creek was far more effective in its dissemination of inviting information than the committee in charge of arrangements was in arranging things.

A little before one o'clock Saturday, we were at Stovepipe Wells, a little over thirty miles drive from the site of the pageant, which was scheduled to begin at two o'clock. It was here that we began to realize that the stream of traffic coming from Furnace Creek was almost as steady as that headed the way we were.

The publicity had stated that there would be seating accomodations for 6,000. The officials made arrangements for 40,000 people, and at one o'clock there was a reported 110,000 people swarming around in a huge expanse of wasteland which comprises the famous expanse of desert.

Altogether, our little "trek" carried us 645 miles. We were guests of the "Smitty" Smiths, (Mr. and Mrs. J. E.) and a friend from Trona was our guide from that point into the desert and return. For instance, we learned desert lore has it that a group of prospectors marked the location at the point of our sight-seeing with the only marker they had available — an old stovepipe. Our little group enjoyed a picnic lunch and an exploring tour of the surrounding sand danes at Stovepipe Wells, a few hundred feet off the main highway. There were tracks in the white sand denoting the presence of many kinds of animal life, but fortunately for us, we encountered no snakes.

We outwitted the fog and broke the trip by spending Friday and Saturday nights in Mojave, where we had left "Kitty" Kitzel, the Smith's traveling Siamese cat. She takes to a motor trip like a duck to water.

The journey was not without its amusing incidents. Before our "take off" could be effected from Mojave Saturday morning, we managed to overturn a pot of percolating coffee which was meant for the thermos jug, with no serious results and broke off two flimsy keys in the locks and had to arouse the landlady for another before we could properly lock the doors.

The biggest blow to our pride was en route home, in the eastern section of Orange county, en route over the very highway which passes through our town. Making a survey for the state highway department, a checker stopped us to determine where we had been, where we were going and where we lived. His inevitable question was, "Where is Cypress?"

We were happy to discover that other Cypress residents were more fortunate than we were. Mr. and Mrs. Bob Miels together with their friends, Mr. and Mrs. Dixon Jones of Long Beach, left Thursday for Death Valley and enjoyed the use of their trailer at the Trailer Coach association rally. About four miles from Furnace Creek, the occupants of over 400 trailers enjoyed a planned program of fun and entertainfent.

Bob came home with a handsome steak grille, which he claims he won by being the possessor of a lucky registration number. The way we heerd it was that a liar's contest was held, and guess who told the biggest one? Bob also found a horseshoe which has withstood the ravages of time, and in which could be detected flecks of gold.

The glowing embers of thousands of campfires out over the desert floor in the long hours of the night must have been a sight worth seeing. Western entertainment, community singing and square dancing were provided the guests.

Even though their group arrived early and was close to the centennial celebration area, it took them 4½ hours to travel 8 miles. Mrs. Miels describes the pageant in enthusiastic terms and states that it was one of the most impressive spectacles she has ever seen. It is hoped to make the affair an annual presentation, because of its impressiveness and the fact that so many were disappointed this year.

STATE MEETING WOMEN'S SOCIETY

An all-day meeting took place Thursday in the Assemblies of God Church on Lincoln Avenue. Approximately 100 women were in attendance at the women's missionary society from over the state.

On Wednesday, members of the local women's council enjoyed a pot luck dinner at the J. E. Stogdill home, 5251 Bishop street. Time was spent in cleaning the church in anticipation of Thursday's meeting, and also in quilting.

Loot Schools In Night

Thieves forced their way into the office of the Cypress elementary school some time during the night Monday and escaped with $100. On the same night, Centralia school was robbed of $56.

Entrance to Miss Dickerson's office was made through the back door of the building by picking the lock. Entrance into the Centralia school was made by using a pinch bar into the auditorium to break a window and thus gain admittance.

The thief, or thieves, went through the transom into the superintendent's office in the local building. The glass was broken as it hit the mechanical door stop after the supporting chain was broken.

Sherriff's deputies investigating the two robberies have reason to believe the same tools were used on both robberies. A chalk box was found at Centralia, which did not belong among the supplies in either school, would indicate that another school had been entered, possibly in Los Angeles county.

Two school custodians, Fender and Ter Beest, had both worked until after ten o'clock in the auditorium, making preparations for the Christmas play. It is presumed that the school was burglarized some time during the night.

Certain details are similar to the break-in which occurred just a little over a year ago, when a larger amount was stolen. The same type tools were apparently used Monday night.

Merchant Cagers Take Sting Out Of Hornets, 60-33

Bob Hoyt hit from all over the court Monday night in the Anaheim City League as the Cypress Merchant cage team rolled over the Anaheim Hornets 60 to 33.

Hoyt split the net for a total of 24 points, taking honors for high point man for the fray.

Cypress took its time building up a lead, and didn't really roll until the fourth quarter. Building up a margin of 17-10 in the first period, they then outscored the Hornets 10 to 2 in the second for a 27-12 half-time lead.

At the end of the third, it was the Cypress lads by a count of 39 to 25. They turned on the heat in the last stanza to score 21 points for a final 60 to 33 count.

It is the Cypress team's third win of the season against only one defeat.

ALLEGED HAMMER ATTACK JAILS MAN

Charles W. Young of Cypress was booked Saturday at the county jail on a charge of assault with a deadly weapon.

Deputy sheriffs alleged Young hit Donald A. Davis over the head with a hammer after a drinking party in a trailer court at 5352 Bishop street where both men live.

Davis was hospitalized. His injuries were described as minor.

SCHOOL LOITERING LAW PROHIBITS BEING ON GROUNDS

As another precautionary measure, the officials of the Cypress elementary school are calling attention to the state "loitering law." This law makes it a misdemeanor for any person to be on the school grounds during school hours.

This is another law to protect children who attend school.

The law pertains to children of other schools as well as to adults.

IT'S WET, YOU SAY!

Dick Wallace, official rain counter upper in Cypress, has reported that there is some truth in the old saying, every little bit helps.

Although there had been no actual precipitation, the 16-day period ending Wednesday morning showed that the fog had contributed enough moisture to amount to a .10 reading. This in spite of the fact that there were a couple of warm days during which a small amount of evaporation may have taken place.

P. S. That was .27 worth of rain which fell before 8 a.m. Thursday morning.

SISTERS HAVE BIRTHDAYS ON SAME WEDNESDAY

Mrs. Ernest Mitchell, whose two little daughters, Joyce and Pamela Sue celebrated their birthday anniversaries on the same day, planned a party for them Saturday afternoon. Both girls were born on November 30, although one is three and one is five years old.

The Mitchell home at 8862 Cypress avenue was gay with Christmas decorations. Each child received a small plastic Santa Claus favor filled with nuts and candy.

After the honorees opened their many gifts, the birthday cakes and refreshments were served.

Present were Sharon and Julia Corrigan, Cary Christopher, Melinda and Billy Short, Roy Acre, Lynn Boch and Richard Herndon.

Guild Honors Mrs. Heavrin

The Ladies Guild of St. Pius Catholic Church of Buena Park and the Society of Our Lady of Fatima of Cypress united in honoring Mrs. Nace Heaverin, 7601 Fifth St. with an "anticipation shower" on Thursday, Dec. 1.

The party was held at the home of Mrs. Leonard LaPrairie, who phoned to Mrs. Heavrin to come to her home on an errand. To her suprise, thirty of her friends had gathered there with many lovely gifts for her layette. The packages were placed in a beautiful bassinet.

A corsage of pink carnations tied with blue ribbon was pinned on the honoree's shoulder.

After an interesting session of bingo, ice cream centered with a stork, was served with cake, nuts and candies. The cake was made by Mrs. Dorothy O'Brien, who decorated it with a tiny clothes line from which hung a miniature washing. The nut cups were in the shape of "three cornered pants."

Assisting Mrs. LaPrairie in hostess duties were Mesdames Anne Berns, Evelyn LaPrairie, Dorothy O'Brien and Dorothy Vessels.

J. C. Napier Elected Prexy Local Fire Boys

A meeting of the Cypress volunteer firemen's association was held at the fire station on Tuesday evening. The meeting was postponed from Monday night, in order that all members could be present. Election of officers for the coming year was held.

Heading the organization as the newly elected president is J. C. Napier. John Lukens was chosen vice-president and Warren Ter Beest secretary, a position he has capably handled for the past few years.

Other positions which are appointed locally and which remain the same for the new year are Gerrit Plantinga, second assistant chief and Murt Jones and W. J. McCoid, captains.

The county fire association appoints the fire chief, who is A. E. Arnold, and assistant fire chief, Haskell A. Kelley.

RAY LUCAS'S MOTHER DIES IN LONG BEACH

The mother of Ray E. Lucas, Mrs. Hulda Anna Lucas, who has been making her home here, died Monday in Long Beach naval hospital.

Mrs. Lucas was 93 years of age and was born in Missouri. She was a member of the group making the "Cherokee territory run" in 1901, famous in history.

Coming to California from Broken Arrow, Oklahoma, about the first of June, she had made her home with Mr. and Mrs. Lucas since then. A few weeks ago she fell, when the family was living at El Toro marine base, and suffered a hip injury. She had been hospitalized for five weeks.

Sgt. Lucas left Thursday evening on the train to escort the body to Broken Arrow. Funeral services will be held there Monday.

EX U. S. SENATOR FROM COLORADO VISITS DAUGHTER

Mr. and Mrs. Keith Giles and family are entertaining her father, Charles Rule, from Paonia, Colorado.

Rule served as a U. S. Senator from Colorado, and has many interesting yarns to relate of his experiences in Washington.

The trip from Colorado was made by motor with friends. Visits will be made with friends in Hollywood and other points in southern California before the return trip home.

Among those entertaining him in Cypress were Mr. and Mrs. Darrell Cardin, on Nelson street, last Saturday evening.

Give Shower For Mrs. G. Mackay

Mrs. Milton Herold and her mother, Mrs. Fred Mackay, entertained at the former's home on DeLong street last Saturday for Mrs. Gordon Mackay, a sister-in-law.

Guests presented the honoree with many lovely articles to add to the layette she is preparing.

Games were played suitable to the occasion, and prizes were awarded the winners.

Decorations were in keeping with the event, and little stork favors accentuated the party theme.

C OF C MEETING MONDAY EVENING

All members of the Cypress chamber of Commerce are reminded of the next regular monthly meeting on Monday, December 12, at the schoolhouse.

Nomination of officers will be the order of business, with the election to be at the following meeting.

Much interest has been displayed in the Christmas "kitty" fund. A final tally will be made at this session.

Death Takes Dorothy Cole After Illness

Friends of Mr. and Mrs. Aaron Cole, 8651 La Salle street, will be greived to learn that their daughter, seven-year-old Dorothy Faye Cole, died Friday in a Long Beach hospital.

She had spent the last few months as a hospital patient, and had only been returned home for a few days. Apparently in no immediate danger, her condition suddenly took a turn for the worse. Dorothy suffered from an ailment which the doctors had described as being incurable.

Surviving besides her parents are her sister, Betty Jane and her grandparents, Mr. and Mrs. O. B. Embry of Louiseville, Ky., and Mrs. Hattie Cole of Morgantown, Ky.

Services were held Monday in Long Beach, with interment in Sunnyside Memorial Park. The Rev. W. Warren Glover, of Bethany Baptist church in Long Beach officiated.

ALAMITOS GETS UNUSUAL NOTICE FOR SMALL TOWN

This last week Los Alamitos copped the honors for nationwide publicity.

Mrs. William Ford, 4242 Green street, was pleasantly surprised to receive a note from her mother-in-law, Mrs. Flora Ford in Middletown, Ohio, containing a news story originating in Los Alamitos.

Associated Press, news wire service, had sent abroad the story written in a humorous vein which recently appeared in a Long Beach paper. Fire chief Baker had stated that because the station's phone was connected with the numbers in the Long Beach extended area, the fire alarm would sound automatically when not intended for them, sending the 17 volunteer fire laddies scurrying, whether day or night. At the same time the article was written, there had been 50 false alarms during the preceding ten-month period.

One caller had desired to know the date of the next Elks' picnic!

YOUNG MOTHER VICTIM OF ATTACK BY FOUR PARK TEEN-AGERS

Sheriff's Juvenile officers reported Wednesday that a young mother, Mrs. Grace Stevens of Buena Park, who was carrying her baby in her arms at the time, was molested by four teenaged boys while she was walking home after visiting friends.

Harry E. Stevens, her father-in-law, called officers. Mrs. Stevens stated that the boys fled when she screamed for help. She gave officers the names of two of the youths and implicated a third, according to the sheriff's office report.

School District Made Larger By Several Acres

The necessary legal procedures required to annex several acres of land from the Centralia school district into the Cypress school district were completed in court Tuesday afternoon.

Included is a parcel of 40 acres each belonging to W. Cuthbert Miller and Edward Behrens which extends eastward up Lincoln avenue to Miller road, north at that point to Crescent, then westward back to the old boundary line.

Changes must be made in boundary lines between the first of October and the last of February. The assessor begins his work on the first of March, after which time they must remain the same.

A great improvement in school property was made this week when the state finished resurfacing the stretch of highway to the west of the school building with black top, where the street was widened.

Work was begun Wednesday to replace a curb and sidewalk along Grindlay street on the east side of the auditorium. This should prove to be a very beneficial addition.

VFW Auxiliary Christmas Party Includes Families

A Christmas party, to which their families will be invited, was planned by the members of the VFW auxiliary at their meeting Monday night. A covered dish dinner, with a Christmas tree, gift exchange and candy for the children is planned for December 19.

Beatrice Hahn reported that contributions to the fund to be sent to the National VFW home at Eaton Rapids, Mich., was being raised by the sale of aprons. A satisfactory sum has been received to date.

As an added donation, chicken a la king on toast, cake and coffee were supplied by Frances Demiris at the refreshment period. The money was added to the fund.

Initiated as a new member Monday evening was Pat Johnson.

Frances Demiris, Betty Knauss and Louise Begley were appointed delegates to attend district meetings.

CHRISTMAS PARTY TUESDAY NIGHT FOR CLUB FAMILIES

The Cypress Women's Community club will entertain members of their families on Tuesday evening at a turkey dinner to be held in the fire hall.

Committee in charge of arrangements is Mrs. Roy Miller, Mrs. Leo Smith and Mrs. E. V. Corby. Planning treats and entertainment for the small fry is another committee composed of Mrs. Murt Jones, Mrs. A. M. Collins and Mrs. C. E. Swain.

The usual exchange of gifts will be held among the members, the Christmas grab bag being a tradition in the club.

The nominating committee will make its report during a brief business meeting, Mrs. Frank Noe, president, reports.

CLUB BELIEVES TOURIST RECEIPTS MORE NORMAL

The average party of out-of-state tourists spend $370 in southern California the past year, the All-Year Club has announced.

This was a drop of 3.6 per cent from the spending in 1948, but it was explained that the decline was less than during the previous two years, which indicates that the southland's tourist business is now stabilizing aftes the immediate postwar "freshet."

Cash amounting to $406,748,920 from other states was spent here by a total of 2, 841, 885 tourists who came here on pleasure visits varying from a week to several months or more.

The high point of the postwar freshet in the travel business, due to the 'dammed-up travel desire" of the war period, occurred in 1946 when tourists spent $509,926,350 in the southland. Since then the return to a more normal buyers' market has been $467,341,051 in 1947, the $421,735,030 in 1948, and $406,748,920 this year.

SING A SONG OF CHEER!

The Girl Scouts of Cypress are seeking to bring a little cheer to shut-ins this season. During the Christmas week, they plan to go a-carolling!

Mrs. F. E. Leveridge, troop leader, is anxious to learn the names of those who would appreciate having the girls come by to sing carols. If you know a shut-in, or someone who might not be reached as the girls make their rounds, call Mrs. Leveridge at Anaheim 60560, or call the Girl Scout Scribe, Marilyn Wallace, at Anaheim 60352.

Successful Week For Bowlers

All three of the Cypress bowling teams were victors this week in the league bowling at the Buena Park Bowl.

Lead by Dot O'Neal with an individual high game of 169, the Triangle drive-in group took three straight lines from the Buena Park Pharmacy Wednesday night.

The Cypress Merchants No. 2 maintained its league lead by taking three points to one from Buena Park Kiwanis. Salty Falls had high series with a 526 and Tommy Neer, a substitute for the evening, took individual single game honors with a 208.

The No. 1 Merchant team rolled over Bob's Market of Buena Park to the tune of three to one. Foster Noe led in both single game and series, hitting a high of 182 and a series of 491.

ADULT BIBLE CLASSES ENJOY EVENING DINNER AT NAZARENE CHURCH

Combining for a dinner meeting, the men's and women's adult Bible classes of the Cypress Church of the Nazarene enjoyed an interesting meeting Tuesday evening.

Under the direction of Mrs. Earl Sartwell and Mrs. Irene Santhoff, in charge of dinner arrangements, twenty - one guests were served in the missionary hall.

Mrs. Sartwell contributed an attractive Christmas table centerpiece. It was fashioned of desert holly.

Bible Study Classes Prove Beneficial

W. V. Buckner, pastor of the Baptist church in Cypress, has begun a series of Christmas sermons. Every Sunday from now until Christmas, his subject will be concerning the birth of Christ.

The Bible school on Friday nights is holding up well despite the fog, Mr. Buckner states. The class is still on the first three chapters of Genesis.

Any students of the Bible, regardless of denomination are invited to join the group.

Children of the Sunday School are working on a Christmas program to be given for members and friends of the church.

Meeting the inspector's approval, new quarters for the Cypress post office were okey'd on Tuesday, with permission granted to move on Saturday and Sunday.

Mrs. Ruth Pugh, postmaster, is very proud of the new, clean building, at 5521 Lincoln avenue, and hopes that it may be kept that way. She has been authorized by higher authorities to close the lobby of the post office at 6 o'clock when the building is left for the night, if for any reason there are evidences that it is being used for any purpose other than it was intended it should be used for, If the lobby were closed. It would work a great hardship on Cypress residents.

Mrs. Pugh reminds patrons that December 15 is the deadline for the mailing of packages to assure their safe arrival at distant points. From now until Christmas the work of the postal authorities will reach its peak load.

Mrs. George Konig will be employed as an addition to the local staff during the next few weeks.

Firemen Plan Gala Dance New Year's Eve

Another of the popular dances sponsored by the Cypress volunteer fire department has been set for Saturday night, December 31, in the fire hall.

Tickets will be $1.50 per couple and a good band has been arranged for.

It is expected that refreshments will be served and plenty of noise makers and other paraphernalia will be provided to enable participants to properly usher in the new year.

Local Church To Feature Missionary

The Rev. Bob Hammond, heard over the Voice of China broadcast, will speak and show motion pictures of the China missionary work on Wednesday evening, December 14, at 7:30 p.m. in the Cypress Church of the Nazarene.

Mr. Hammond, who carries on extensive missionary work in China, only recently returned from there and has many interesting sidelights concerning not only the missionary work but the influx of Communism in China.

Members of all faiths are invited to hear him.

Schedules For Bowling Leagues

The following are the schedules for bowling for the week of December 12 to 19:

Tuesday Handicap

Tuesday, 9:15 p.m.—Alleys 1 and 2, Cypress Merch. No. 1 vs Kiwanis; alleys 3 and 4, Lalicker's Dry Goods vs U-Tel-Em Mkt.; alleys 5 and 6, Bee's Duck Inn vs Cypress Merch. No. 2; alleys 7 and 8, White Elephant vsLion's club; alleys 9 and 10, Bob's Mkt. vs Anaheim Truck & Transfer.

Women's Handicap

Wednesday, 6:45 p.m.—Alleys 1 and 2, Buena Park cleaners vs Wilkinson Pharmacy; alleys 3 and 4, Buena Park Bowl vs Hunt's Foods; alleys 5 and 6, Bee's Duck Inn vs Triangle Drive-In; alleys 7 and 8, Buena Park Pharmacy vs Walt's Meats; alleys 9 and 10, White Elephant vs Monarch cleaners.

DRIVE-IN DAIRY STORE — Newest thing in the dairy business is the new office and dairy store just completed by Wilsey Dairy of Buena Park. Providing public office for the rapidly expanding dairy business and offering curb service to drive-in customers, its dual purpose makes for an efficient operation. Opening to the public on Friday, the store will feature all dairy products, frozen foods, fancy cheeses, and ice cream. Sheltering canopies and 118 feet of drive will make quantity buying a pleasant as well as profitable experience for drive-in customers.

THE MOST DANGEROUS TREE

What is the most dangerous tree in the world? According to the National Board of Fire Underwriters, it's that symbol of Yuletide cheer and good will — the Christmas tree. And the long and tragic record of deaths, injuries and maimings — many to children — caused by holiday fires fully bears out that statement.

This certainly doesn't mean that you should not have a Christmas tree. You should. But it does mean that certain elementary precautions should be followed to the letter, and kept constantly in mind.

It is recommended, for instance, that you buy a small tree — it is less hazardous. It should be place well away from radiators, heaters, and the fireplace. Candles should never be used on the tree under any circumstances. Use only electric light sets which carry the seal of approval of the Underwriters' Laboratories — it guarantees that the sets meet the proper safety standards.

Don't use paper, cotton, or other flammable materials for decorations. If extention cords are necessary, be sure they're in good condition — frayed wiring is a potent cause of electrical fires. Never leave the lights burning when the house is unoccupied. Dispose of gift wrappings promptly — they're a real menace inside the house. Be especially careful with matches and smoking materials. And, finally get rid of your tree as soon as the needles begin to fall. That means it's dry and ready to burst into flame.

Christmas isn't far off. It's time now to make plans for a holiday season which will be safe as well as joyous. And once they're made, stick with them. — Industrial News Review.

I RISE TO REMARK
by John Phillips

The United States has returned to a policy of deficit finance in time of peace.

Take a dollar bill and have it changed into smaller money. Lay down a dime and three pennies. That's the amount of the average tax dollar which will go to local and district taxes. Lay down another dime and three more pennies. That's the average amount for state taxes. How much have you left? You say, 74c. That is the amount the federal government takes from the average tax dollar, and it doesn't include the deficit, nor does it include any of the President's proposal for broadened federal aid programs: socialization of health, the Brannan plan for agriculture, aid to education, and a dozen other moves toward centralized government, the devaluation of the dollar, and eventual bankruptcy.

On your insistence, and with very little resistance from the men and women who have to make the laws, the taxes have been sugar coated. Look at your pay check. The figures on the check is not your income, although you have a habit of thinking of it as your income. If the figure is reduced, you demand "more pay." You don't want more pay, you want less government, or less wasteful government.

Fill Your Tank

Get out your car, and drive downtown. Fill it with gas. observe the tax included there. While the high-tax gas runs into the tank, step over and get a package of cigarettes. Over half the cost is tax. Last year, the government collected, as taxes on tobacco, TWICE as much as the farmers got who grew it. The farmers got about a billion.

Stop and pay your phone bill. 25% added for tax. You'll be near the railroad station and the bus station. Don't think you can buy a ticket and get away from taxes. There will be a tax added to the ticket cost. There's a nice handbag in the window, If you're going away; cost $30 plus $6 tax. You'll need some films, tax 15%, or some toilet preparations, tax 20%. Light bill, gas bill, phone bill, license tax, dog tax; you can't even spend your time fishing without a tax. And don't think you can stop in the corner tavern and put yourself in a condition where the taxes will cause you no pain. There will be THREE taxes on that drink.

Bread Taxes

At the State Chamber meeting the other day someone said there were 28 taxes on a loaf of bread; fifty taxes on your wife's new hat. More taxes than material apparently! I'll have to check those figures, but I can believe them.

What is the result? Turn to page 122 of the current issue of READER'S DIGEST. The 32 Presidents from Washington to Truman, including eight years of Franklin Roosevelt, spent LESS than Harry S. Truman has spent in 5 years. The war years of 1941 to 1945 were excluded. Read it again: 32 presidents, in 156 years, spent $179,620, 113,645. One president, in five years has spent $191,081,394,191; and thirty days from now he will propose a program which could add another $20 billion every year.

Don't talk about the "Welfare State;" talk about the "Bankrupt State!"

HIGHWAY PATROL APPROVES USE OF NEW SHIELD

"A new streamlined automobile insignia for licensed physicians has been approved for use," Clifford E. Peterson, California Highway Patrol Commissioner announced.

The metal marker is in the form of a shield and is attached to license plates. It has a light royal blue background, dull gold caduceus and shining god letters reading "California Licensed Physician."

"The emblem is designed to provide exemption from provisions of the state speed law when a physician is answering an emergency call," Peterson said.

Mrs. Elmer McWilliams, Mrs. Faye Arnold and daughter, Charlee, together with the Merrill Hunts of Lakewood, enjoyed their Thanksgiving dinner with the Dan Williams' on Magnolia avenue.

Mr. and Mrs. Paul Kroesen and children of Buena Park, joined the former's family, the Burt Kroesen's of Lincoln avenue, for Thanksgiving.

THANK YOU!

The Cypress Enterprise wishes to take this opportunity to thank James C. Duncan, local resident, for his travelogue, which was published in these columns.

The errors in the final episode last week were not Jimmie's, but were typographical mistakes due to a faulty type-setting machine.

Mr. and Mrs. Earl Essex had as their Thanksgiving day dinner guests, Mrs. Robert Rath and Mrs. Jack Warren of Long Beach Mr. and Mrs. A. E. Arnold and Mr. and Mrs. Robert Hoyt and son, Arnie, of Cypress.

CANCELLED PROGRAM TO BE PRESENTED THIS SUNDAY EVE

Due to the fog and other unavoidable circumstances, the Ozark quartet and the Rev. Peter Jurich, who were scheduled to appear at the Cypress Church of the Nazarene last Sunday evening, were unable to be present.

REV. PETER JURICH

The program will be given this Sunday evening. Mr. Jurich, a native of Russia, will speak on the subject, "Why I am an American."

The male quartet will also appear on the program during the evening service.

AT HIGHER ALITUDES EFFICIENCY DROPS

Motorists whose touring trips take them into mountainous areas for the first time, frequently are puzzled at the sudden loss in engine efficiency, the manifestation of sudden sluggishness in its performance, points out the National Automobile Club. It will not be mysterious, and be corrected quickly, if it is remembered that the carburetor mixture that is perfect in the lowlands will be too rich for the mountainous country.

MOUNTAIN LIONS KILLED IN STATE

The Division of Fish and Game has reported a total of 17 mountain lions turned in for bounty during the month of July.

$50 male and $60 female bounties were paid for the two lions reported taken in each of the following counties: Kern, Monterey, Santa Clara, Tulare.

Single kills were credited in Butte, Del Norte, Humboldt, Nevada, Shasta, Siskiyou, San Bernardino, San Diego, and Trinity Counties.

CYPRESS LOCALS

Rex Taylor's "roarin' roadster" gave up the ghost near San Bernardino as the boys were en route to Tecopa, in Death Valley, causing Rex and Russell Caperon to return home and await further transportation developments.

Larry Kirk had the misfortune on a recent foggy night to have his car damaged. While driving one of his young daughters home from a sewing club, the car was suddenly engulfed in a fog bank. Kirk was forced to dimish his speed, while the car behind him failed to do so, causing a crash.

Mrs. John De Polter, 5641 Lincoln avenue, suffered minor injuries late Saturday night when a car driven by her husband and one driven by Frank Coats, Jr., of near Orange, collided at Huntington Beach blvd. and Chapman street.

Mrs. Forrest Lowrey returned home from Long Beach Sunday evening. She has been helping care for her mother, who was invalided by a stroke a few weeks ago.

Cypress Girl Scouts canceled a dinner meeting in Anaheim to which they were invited Tuesday evening because of the uncertainty of travel due to the fog.

A report for the two-week period ending December 3 from the Orange county health department shows that among the communicable diseases chickenpox ranked first with 50 cases and mumps with 37. Whooping cough and strep throat infections, including scarlet fever, showed 23 cases each.

Mr. and Mrs. Wade Harvey and two children have moved to Bellflower. Sgt. and Mrs. Ray E. Lucas returned to their property at 5632 Vonnie Lane, which the Harveys rented. Lucas has been retired from the service and has been spending his "free" time in renovating the house and making improvements.

John Leal was granted land-use permit this week by the county supervisors, for establishment of a dairy at Ball and Miller roads. The planning commission approved the permit earlier.

Theft of clothing, binoculars and a camera all valued at $191, from an automobile parked at 4604 Lincoln avenue, was reported to the sheriff's office Monday by the owner, Mrs. Edith Rogers of Artesia. She had left the car unlocked when she parked it during Sunday evening, she said.

Ralph Chambers and a high school buddy enjoyed camping out during the celebration at Death Valley last week-end.

Mrs. J. E. Smith attended a VFW auxiliary dinner in Anaheim last Monday evening which honored past presidents of chapters in this area.

Bill Hall helped in the meat department at the Village market last Wednesday.

Items Held Over From Last Week

Mr. and Mrs. Blake Woolverton, of Arlington, Texas, happily surprised their relatives, Miss Lillie Sublett and Mr. and Mrs. E. E. Stanley and family by arriving at the Stanley home, 8652 Belmont street, in time for Thanksgiving. They returned home on Sunday.

Mr. and Mrs. W. J. McCoid, 5442 Bishop street, were hosts at Thanksgiving day dinner to their cousins, Mr. and Mrs. Ben Thompson, of Bellflower, and sons-and-laws and daughters and Mr. and Mrs. Gene Kelley and Mr. and Mrs. George Konig and their families.

Mr. and Mrs. R. L. Jordan and daughter, Terry Lee, of Belmont street, spent the recent holiday in San Jose. Three anniversaries were celebrated which occur around the Thanksgiving season. His parents' 50th wedding anniversary, his sister's 25th and their own 12th were recognized.

Mr. and Mrs. Bill Waldron and children, who have been visiting at the Willard Essex home, left recently for their home in Alliance, Nebraska. Others sharing Thanksgiving at the Essex home were Mrs. Essex' parents, Mr. and Mrs. Warren Waldron of Pasedena, and her brother and wife, Mr. and Mrs. Howard Waldron of San Diego.

Mrs. Jack Junker was one of a group of young women, former high school class mates, who met recently in the home of Mrs. Shirley Heubert on Farquhar street in Los Alamitos. Others present were Mmes. Frances Taylor, Ruth Hungerford, Mable Miser, Delores McConaghy and Frances Young.

Senator Knowland To Tell County Of Chinese Reds

U.S. Senator Williams F. Knowland, who has just completed an extended tour of the Orient and conferred with Gen. Douglas Mac Arthur in Tokyo concerning the spread of Communism in China, will report his findings to an Orange County audience Dec. 12.

His talk will be at Willard Junior High School auditorium, 1342 N. Ross St., Santa Ana, next Monday at 8 p.m., as first address he will make since arrival from abroad.

It will follow a discussion—part of which will be off-the-record with the county's publishers.

Sen. Knowland is to be dinner guest of the Orange County Newspaper Publishers' Association this night, and join them in an inspection of the new plant of the Santa Ana Register. He will go to Willard school for the public talk due to draw a standing-room-only crowd.

Publisher Ben Reddick of Newport-Balboa Press and News-Times, new president of the county publishers, will preside at the dinner session for the publishers and their guest. He was recently named to suceed Publisher Paul Kroesen of Buena Park News.

Chairman Roscoe G. Hewitt of the Orange County Republican Central Committee will preside at the public meeting at Willard auditorium. He said that Gordon X. Richmond, former chairman, will be master of ceremonies.

Mrs. Alex Petri and Mrs. Melvin Coburn, who have spent the past six weeks seeing the sights of Mexico City, Guadalahara and Acapulco, in old Mexico, returned home last week. The trip was made by automobile.

Mrs. Rosamond Howery and children, Beverly, Kenneth and David were Thanksgiving day dinner guests with her brother and sister-in-law, Mr. and Mrs. J. J. Culler, in Hawaiian Gardens.

School Vacation

by Lyle Lee, 6-A

Cypress elementary school will start Christmas vacation December 16, 1949. The rooms will have Christmas parties the same day. School will start January 3, 1950.

SCHOOL TRIES NEW TIME TABLE FOR CLASSES

Last Monday a new schedule was inaugurated for starting and dismissing classes in the fourth, Fifth, sixth, seventh and eighth grades.

Beginning at 8:30 a.m. and dismissing at 2:30 p.m., this arrangement will be in effect during the remainder of this school term.

With daylight savings time next April in mind, questionnaires will be sent home asking parents' opinions as to whether or not the change should be made permanent beginning with the new term January third.

It is hoped the new schedule will be beneficial in eliminating colds resulting from the dampness early in the morning.

EVENING CLASSES INTERESTING TO SCHOOL CHILDREN

by David Fender and Jack Holley, 6-A

On Wednesday and Friday nights, the utility room is open for teen-age or older boys of Cypress.

They have weight-lifting, balancing, hand stands, boxing and wrestling. The boys seem to be interested.

Anybody who wishes to may come. It is directed by Mr. Ray Dean, of Long Beach. He taught acrobatics in Long Beach last year. Why don't you come down to the school this Friday night at seven o'clock?

If there are enough girls interested, they will have a girls' night for acrobatics.
